INTRODUCTION

Titus County is soliciting proposals for the purchase of a Used 2000 Gallon Water Truck. Titus County appreciates your time and effort in preparing a proposal.

QUESTIONS

Please direct all questions regarding this RFP to the Titus County Auditor, Barbara Shurbet at 903-572-8101 or at auditor@co.titus.tx.us. Any updates, questions with responses, addenda and special notices related to this application will be posted on the Titus County website at www.co.titus.tx.us accessed by following the link listed on the lower left side of the home page labeled PURCHASING, Used 2000 Gallon Water Truck – Addenda. It is the applicant's sole responsibility to review this site and retrieve any related documents prior to the application due date.

PURPOSE & OBJECTIVES

The purpose of this proposal is to meet the requirements of the local government code state purchasing requirements.

The primary objective is to allow the Titus County Commissioners Court to have sufficient information to select the best well qualified proposal that offers the most favorable terms and conditions for the purchase of a Used 2000 Gallon Water Truck for shared county – wide road equipment at the sole discretion of Commissioners Court.

SPECIFICATIONS

The specifications for a Used 2000 Gallon Water Truck are attached in Exhibit A. Any deviation or alternate from the requested specifications must be noted in the proposal response.

Please include an estimate of the delivery cost from the equipment's current location to the Titus County Maintenance Barn located at 1700 Industrial, Mt. Pleasant, Texas.

EVALUATION CRITERIA

The submitted proposals shall be reviewed based on the following criteria:

- *Purchase price
- *Reputation of vendor & vendor's goods or services
- *Quality of the vendor's goods as compared to the specifications
- *Extent to which the goods or services meet the needs of the County
- *Vendor's past relationship with the County
- *Total long-term cost of ownership of the goods or services including costs of repair
- *Location of proposed equipment in consideration of cost of on-site visit and test drives
- *Availability to test drive the proposed equipment
- *Any other item of interest determined to be in the best interest of Titus County.

Negotiations may be conducted with vendors whose submitted proposal is determined to be reasonably anticipated of possibly being selected for award. The award will not necessarily be made to the vendor submitting the lowest price proposal.

The County reserves the right to request additional information or to meet with representatives of the proposer, to test drive and evaluate the equipment, and to discuss or clarify items in the proposal. Any and all information collected during these interactions may be used in analyzing the proposal. All of these elements combine for the evaluation of the proposal.

The County will select the proposer that submits the best, most responsive overall proposal to satisfy the needs of the Titus County as determined solely by the Commissioners' Court and reserves the right to waive any technicalities in the best interest of Titus County.
